

Call for Academic Papers: Present your work at the 34th IPMA World Congress in Berlin!

We invite researchers, academics, and thought leaders to present their latest findings, innovative approaches, and theoretical contributions. Showcase your work to an international audience and contribute to advancing project management globally.

Why submit your research?

- Share your original research results with over 1,000 professionals from around the world
- Present your paper on the international stage at the 34th IPMA World Congress
- Gain international visibility for your work
- Accepted papers will be published in the renowned conference proceedings, submitted for indexing in the Web of Science – ensuring your research reaches a global audience
- Join a global network of project management experts and academics. We are seeking scientific papers on topics such as:
 - Current challenges and developments in project management
 - Original research results, new theoretical approaches, innovative methodologies
 - Contributions that foster knowledge exchange and academic dialogue

Submission deadline: April 27, 2025

Notification of acceptance: End of May 2025

Presentation dates: September 18 or 19, 2025
